

Provisional Teaching Permit

Teachers who have not met the Council's requirements; therefore this is an alternative way to assist:

1. Your employing school headmaster/ principal needs to provide a written request to the secretary-general of the Council requesting the exception of professional qualification, including the reasons why the school has to employ you.

2. Gather other required documents:

- A copy of passport with photo and signature or other evidence identified legally
immigration

- A copy of employment contract

- A copy of degree or educational background

- One of 1 inch photographs without dark glasses taken within 6 months

3. Send the written request and required documents to the Secretariat Office of the Teachers' Council of Thailand.

After consideration of the reasons and documents attached, the Council will provide you with a two-year provisional teaching permit.
